

## **Decide to Network**

Use every letter you write,  
Every conversation you have,  
Every meeting you attend,  
To express your fundamental beliefs and dreams.

Affirm to others the vision of the world you want.

Network through thought.  
Network through love.  
Network through spirit.

You are the center of the world.  
You are a free, immensely powerful source.  
Affirm it. Spread it. Radiate it.

Think day and night about it.  
And you will see a miracle happen:  
The greatness of your own life.

**In** a world of big powers, media and monopolies,  
Networking is the new freedom,  
The new democracy ...  
A new form of happiness.
