The question how to sign up those in Australia prior to July 2nd was asked... here was the answer from Jack Crowley - Arbonne's VP of International Expansion:

Sign-ups can take place beginning June 1; however, due to some system restrictions, the processing of applications, issuing of ID numbers, and shipment of starter packs will not occur until July 2nd. All applications received will be date and time stamped and entered into the system in that manner.

You can find the Australian application by following the steps below. Fax the completed application to the number on the application.

- (1) Log on to <http://www.arbonne.com>
- (2) Log on as an Internet Consultant
- (3) click on the Field Support link,
- (4) click on Download Forms,
- (5) click on 'Australian Business Forms and Information' to view, print or e-mail the application and other documents.
